## A MESSAGE FROM THE PRINCIPAL

As trimester one comes to an end, I would like to wish all of our beloved students, faculty, and parents a wonderful and joyous winter break. Utilize this time to reconnect with your children and unite as a family. Spend as much time as possible, quality time, with your children and beloved family members. Have fun, play games, have long and meaningful conversations, lunch together, and create as many memorable moments as possible. *“The greatest gift you can give someone is your time, because when you dedicate your time, you are offering a part of your life that you will never get back.”* Until I see you all again, have a wonderful and glamorous winter break.
