A MESSAGE FROM THE PRINCIPAL

Great news!

As part of the school’s mission to constantly spread awareness to students, the school administration has decided to launch the “Pros and Cons of Social Media” awareness campaign for Middle and High school students. The purpose is to explain to students through several assemblies and discussions the pros and cons of social media. Assemblies will take place during the months of February, March, and April. Our goal is to ensure students understand the positive and the negative impact and risks resulting from using or misusing social media.

2- Progress Reports

Progress reports will be sent to the parents of students who receive an overall total score of a C- or below for the time period between **Sunday, January 9th** and **Thursday, February 3rd**. Progress reports are shared, as an integral channel of communication, to update parents that their child is at risk of failing his/her Trimester 2 exam.

E-mails will be sent out on Thursday, February 10th. Please check your e-mail for updates. If you do not receive an e-mail, then your child has not scored an overall score of C- or below.

3- Health & Safety

The school administration and faculty strive to maintain a safe and continuous learning environment for our students. As partners in the well-being and education of your child, I kindly ask you to:

- 1- Keep your child at home and see a doctor ASAP if his/her temperature is 37.4 or above and if they show any signs of illness such as a runny nose, sneezing, coughing, or any COVID 19 symptoms.
- 2- Show understanding and flexibility towards School and Ministry of Education decisions.

NG SUPPORT

Effective communication is key! In order to maintain consistent and direct communication channels, it is crucial that we hear your concerns and challenges through the NG communication guide channels.

We, NG faculty, are always here to help, guide, support, and clarify a concern that you might be facing. As Hellen Keller stated, "Alone we can do so little; together we can do so much."

Yours in Education,

Mrs. Nairy Simon
