Progress Reports

Progress reports will be sent to the parents of students who receive an overall total score of a C- or below for the time period between Monday, January 9th and Tuesday, January 31st. Progress reports are shared, as an integral channel of communication, to update parents that their child is at risk of failing his/her Trimester II exam/s.

E-mails will be sent out on **Thursday, February 9th**. Please check your e-mail for updates. If you do not receive an e-mail, then your child has not scored an overall score of C- or below. If you receive an e-mail, you are urged to attend the Parent Teacher Conference taking place on February 18th.

**Grades 3, 4 & 5 Performance
'Encanto Show'**

We are thrilled to announce that our Upper Elementary annual show will take place on **Friday, February 24th, 2023**.

It's that time of the year when students and teachers are extremely excited to show off their language, acting, singing, and presentation skills through a curriculum-integrated drama performance.

We are all looking forward to watch your child participate in this amazing unforgettable experience. Let's encourage our children to keep making lifelong memories every year!

KG's 100th Day

Our KG students will be 100 times smarter when they celebrate the 100th Day of School on Thursday, February 23rd! Our students will come dressed up as 100-year-olds, and they will enjoy lots of fun and educational activities regarding the number 100.

School Satisfactory Survey

What distinguishes NG than any other school is our keen continuous improvement follow up and action plans. In order to move forward, we must evaluate, analyze, and create action plans based on significant data. We are a school that highly believes in the importance of Data Driven Decisions (DDD). This is why we highly advocate and encourage our stakeholders' positive and active participation through our online surveys. We would like to share with you the 22-23 School Satisfactory Survey highlights and areas that will be considered for the upcoming Academic Year 23-24. School Satisfactory Survey results showed high scores in students completing their schoolwork independently, enjoy being at school, teacher and administration proactive and professional communication channels, and students' preparedness for this academic year. Our suggested action plan for next year includes emphasizing more on Advanced Classes, AP Program, and STEAM/STEM.

NG Support

If you have any concerns or queries, we, as NG faculty, are always here to listen, support, and help. Please scan the QR code for NG's communication guide that was developed to ensure effective channels of communication all year round.
