## Announcement

### International Summit

As exposure and pursuing global collaboration are an integral part of the School's Mission and Vision, we take immense pride to announce that New Generation

International Schools will be hosting an International Summit titled "This is Egypt, Bridging Cultures". New Generation practices "The Balanced Approach," which encompasses the promise not to discriminate against race, gender identity, or religious beliefs, and guarantees that students will learn on an international level while respecting their cultural identity and Egyptian roots. Our school has partnered with Pompano Beach High School in the Foreign Language Youth Exchange (FLYE) Program to strengthen and promote our international partnerships with schools all around the world.
