

## A Message from the School Principal

As exposure and pursuing global collaboration are an integral part of the School's Mission and Vision, we take immense pride to announce that New Generation International Schools will be hosting an International Summit titled "This is Egypt, Bridging Cultures" from May 11th to May 19th. NG practices "The Balanced Approach," which encompasses the promise not to discriminate against race, gender identity, or religious beliefs, and guarantees that students will learn on an international level while respecting their cultural identity and Egyptian roots. Our school has partnered with Pompano Beach High School in the Foreign Language Youth Exchange (FLYE) Program to strengthen and promote our international partnerships with schools all around the world.

### Reminders

#### 1. Progress Report III

Progress reports will be sent to the parents of students who receive an overall total score of a C- or below for the time period between Sunday, March 26th and Tuesday, May 2nd. Progress reports are shared, as an integral channel of communication, to update the parents whose child is at risk of failing his/her Trimester II exam. E-mails will be sent out on Thursday, May 11th, 2023. If you do not receive an e-mail, then your child has not scored a C- or below.

#### 2. Parent Teacher Conference III & Art Exhibition

Grade	Date	Time
K - 12	Saturday, May 20th	9:00 - 3:40 (Break Time for Teachers) 12:00-1:00

*Each meeting is ten minutes long and on a first-come, first-served basis.*

## SUCCESS STORIES

### Step-Up

About 80% of "Step-Up" students showed immense growth in their Trimester exam results.

*Great job and keep up the good work.*

### Gr.8 Advisory Meetings

### KG World Book Day

### MS Farm Visit

### STEAM Fair

The New Generation International Schools' "STEAM Event" is one of the iconic events on the academic calendar. It is a unique way to encourage our students (grades 1-6) to showcase their STEAM projects and to satisfy their own curiosity about the world around them. It represents the efforts of a student's investigation into some area of interest (Science – Technology – Engineering – Art – Math) and provides a way for the student to share the results of those investigations. Through the development of STEAM fair projects, students gain a first-hand appreciation of the work of engineers and the value of their designs. Together, these elements present a complete and thorough examination of real-world problems, a collection of new knowledge, and the results of self-initiated investigations.

Grade	Date	Time
Grade 1	May 8th	10:00 - 10:45
Grade 2	May 8th	11:15 - 12:00
Grade 3	May 9th	10:00 - 10:45
Grade 4	May 9th	11:15 - 12:00

Grade 6	May 10th	11:15 - 12:00

### MS Show "The Sultan's Dilemma"

Our MS annual show, "The Sultan's Dilemma", is inspired by the Egyptian Heritage novel written by the Dean of Theoretical Literature, Tawfeek El Hakeem. His work has been translated from Arabic to English, French, and many other languages. The play is fully led by our students whether on or off stage. They will surely amuse us with their acting and dancing skills. We can't wait to see you all on **Friday, May 26th** to support our young NGians.

### Class 2023 Graduation Ceremony

Behind you, all your memories,  
Before you, all your dreams,  
Around you, all who love you,  
Within you, all you need.

Proudly, we would like to announce that the Graduation Ceremony of Class 2023 will be held on Friday, June 2nd, 2023!

The event will take place from 6:00 – 8:00 P.M., in our NG's auditorium. Wishing our graduates the best of luck in their future endeavours!

### NG Support

If you have any concerns or queries, we, as NG faculty, are always here to listen, support, and help. Please scan the QR code for NG's communication guide that was developed to ensure effective channels of communication all year round.
