

## MESSAGE FROM THE PRINCIPAL

Happy November ❤️!

I would like to emphasize the significance of effective communication and reiterate the importance of following our established communication guide when addressing any concerns.

In any school community, open lines of communication between parents, teachers, and the school administration play a crucial role in fostering a supportive and productive learning environment for our students. By working together and maintaining consistent communication channels, we can ensure the best possible outcomes for our children's education.

We have developed a comprehensive communication guide specifically designed to assist you in resolving any issues or concerns that may arise. By adhering to this framework, we can approach problem-solving in a systematic and efficient manner that allows us to find solutions that benefit everyone involved.

I strongly believe that there are no problems that can't be solved, and I encourage all parents to approach any issues or challenges with optimism. By utilizing the tools provided by our communication guide, we can navigate through everything and anything together.

I would like to thank you all for your continued partnership and dedication to our school community. Let us remember that through effective communication, dedication, and collaboration, there is a solution for everything.

### SUCCESS STORIES

Armed Forces Celebration

### REMINDER

## PROGRESS REPORT

Progress reports will be sent to the parents of students who receive an overall score of a C- or below for the time period between Sunday, September 24th and Sunday, November 5th. Progress reports are shared, as an integral channel of communication, to update the parents whose child is at risk of failing Trimester 1 Exams. E-mails will be sent out on Thursday, November 16th, 2023. If you do not receive an e-mail, then your child has not scored a C- or below.

### ANNOUNCEMENTS

#### 1. MEASURE OF ACADEMIC PROGRESS (MAP)

MAP is a standardized assessment that supports students' individual needs. Our MAP assessments will start on November 5th and end on December 7th. MAP not only helps the school to provide individual educational action plans, but it is also included in the rubric as a prerequisite to join the Math and English Advanced Classes and Pre-AP.

Middle School Reading Buddies

## 2. PARENT TEACHER CONFERENCE

Student Council Elections

Grade	Date	Time
K - 12	Saturday, November 18th	9:00 - 3:40 Parents' Meeting  12:00 - 1:00 Teachers' break time
<b>Each meeting is for ten minutes and on a first-come, first-served basis.</b>		

## 3. ELEMENTARY FAMILY MATH DAY

NG is excited to announce that our annual Elementary Family Math Day will take place from Sunday, November 12th to Thursday November 16th. Students and their families will be exposed to critical mathematics topics in a positive, hands-on, festival-like atmosphere. We can't wait to see you all!

Professional Learning Community (PLC)

## 4. GRADES 1 & 2 PERFORMANCE

Our Grades 1 & 2 students started rehearsals on their exciting upcoming event focused on diversity. We believe that celebrating and embracing diversity is an essential part of our educational mission, and we are thrilled to provide our young learners with an enriching experience. Our students will showcase their knowledge, talents, and understanding of diversity while fostering a sense of unity and appreciation for different cultures. Stay tuned for more information!

## NG SUPPORT

If you have any concerns or queries, we, as NG faculty, are always here to listen, support, and help. Please scan the QR code for NG's communication guide that was developed to ensure effective channels of communication all year round.
