

**MESSAGE FROM THE PRINCIPAL**

I would like to seize this opportunity to wish you all a joyous Eid Al Fitr and a happy Easter!  
May God shower countless blessings upon you, your family members, and your loved ones.

Al-Ahram Hebdo newspaper featured an article highlighting the importance of theater and the significance of the International Festival of Francophone School Theatre. Established in 2002, this year marked its 21st edition that has taken place at our very own NG theater, hosting participants who eagerly await its annual arrival.

**2. SCIENCE FAIR (G8 - G11)**

Science education is not limited to textbooks and classrooms; it should be an exciting adventure that empowers students to question, discover, and create. Our annual science fair on Tuesday, April 23rd, is the perfect setting for G8 - G11 students to experience the entire investigative process. Learning will occur through hands-on learning experiences and real-world problems that will spark their curiosity, fuel their passion, and open doors to a lifetime of scientific discovery and innovation.

### 3. WORLD BOOK WEEK

We would like to share some exciting news with you regarding our upcoming 'World Book Week' celebration on **April 22nd, 23rd, and 24th**. During these three days, our K-6 students will be engaging in a variety of reading activities that promote literacy and a love for books. We have organized sessions in English, Arabic, and French to cater to our diverse student population, as well as art and music sessions to make the week even more engaging.

Additionally, we will be hosting an assembly to emphasize the importance of reading and culminating the week with a parade where students can dress up as their favorite book characters. Moreover, we are organizing a book drive during the month of April to collect books for our elementary students. The aim is to provide them with a wide range of resources to encourage a love for reading and learning. If you have any new or gently used books that you would like to donate to support this cause, we would greatly appreciate your contribution. Every book donated will make a difference in the lives of our students.

Assemblies

The **Student Council and HS students** organized assemblies for **Middle School**, to address significant issues like **gossip awareness, fostering sportsmanship, and setting boundaries**. These engaging sessions aimed to educate and inspire participants ultimately contributing to a more positive and inclusive atmosphere.
