

MESSAGE FROM THE PRINCIPAL

I am pleased to announce the finalization of our Continuous School Improvement Plan (CSIP) for the upcoming three years. The plan aims to improve various aspects of our esteemed school community, including academics, student life, safety, resources, and parental involvement. Notably, the CSIP features a range of initiatives such as new programs for KG and Elementary students, STEAM classes for Grade 8 students, and the newest High School addition, the new Advanced Placement (AP) ART Program. We value your unwavering support in achieving our ambitious goals, and we are incredibly grateful for your trust and commitment to our school community. Together, we can strive for excellence and achieve greatness!

REMINDER

SUCCESS STORIES

HOLIDAYS

- Spring Break: April 25th - May 6th

ANNOUNCEMENTS

1. TRIMESTER III

- Trimester III will resume on Tuesday, May 7th, 2024.

2. PROGRESS REPORT III

A friendly reminder that progress reports will be sent to the parents of students who receive an overall total score of a C- or below for the time period between Sunday, March 13th and Thursday, May 16th. Progress reports are shared, as an integral channel of communication, to update the parents whose child is at risk of failing his/her Trimester III exam. E-mails will be sent out on **Thursday, May 23rd, 2024**. If you do not receive an e-mail, then your child has not scored a C- or below.

3. STEAM FAIR (KG - GRADE 7)

The KG - Grade 7 STEAM Fair will be taking place on **May 20th till May 22nd**. This event is one of our iconic events on the academic calendar. It is a unique way to encourage our students to showcase their STEAM projects and to satisfy their own curiosity about the world around them. It represents the efforts of the students' investigations into various areas of interest (Science – Technology – Engineering – Art – Math) and creates an opportunity for students to share the results of those investigations; through the development of the STEAM Fair projects. Students also gain a first-hand appreciation of the work of engineers and the value of their designs. To sum it all up, these elements present a complete and thorough examination of real-world problems, a collection of new knowledge, and the results of self-initiated investigations.

Arts Extravaganza

Science Fair

Fire Evacuation Drill

4. UNITY DAY

ISSOC Racket Games

The time has finally come to honor our high achievers who participated in NG's religious contests (The Holy Quran – The Hadith – The Prophetic Biography – The Christian Religion Education). Since religion and morality are two sides of the same coin, we decided to present the "Good Role Model Award" in order to enhance and honor the moral aspect of students. We have the pleasure to invite the parents of students, who will be honored, to attend the ceremony on **Friday, May 31st, 2024**. All details about the ceremony and the specific timings will be shared soon.

World Book Week

5. LAST DAY FOR GRADE 12

Surely, we will have mixed feelings on **Wednesday, May 15th, 2024** which is the last day for Gr.12 students.

6. GRADE 12 GRADUATION CEREMONY

Behind you, all your memories,
Before you, all your dreams,
Around you, all who love you,
Within you, all you need.

We proudly announce that the Graduation Ceremony of Class 2024 will be held on **Friday, June 7th, 2024!** The event will take place from 6:00 – 8:00 P.M. in NG's auditorium.

Wishing our graduates, the best of luck in their future endeavors!

NG SUPPORT

If you have any concerns or queries, we, as NG faculty, are always here to listen, support, and help. Please scan the QR code for NG's communication guide that was developed to ensure effective channels of communication all year round.
